September 2017

Dear Parent/Carer

Language Magazines

The Modern Foreign Language Department are always looking for interesting and different ways of introducing students to new experiences in their languages as a means of developing and reinforcing the language being taught in the classroom.

I am therefore promoting some language magazines that our Department believes will not only get the students to enjoy reading in a foreign language through topical articles but will also enhance their learning and understanding of French, German or Spanish.

The magazines are written by **MARY GLASGOW PUBLICATIONS** and there are 5 magazines per School year (You would receive issue 1 in September) Each magazine contains short articles on topics such as lifestyle, entertainment, sport, traditions and popular culture. The magazines also feature comic strip stories, puzzles, quizzes, interviews and songs. There is also an authentic video linked to each issue as well as MP3 listening tracks and interactive activities.

ALLONS – Y	French Magazine aimed at students in Year 7
QUE TAL?	Spanish Magazine aimed at students in Year 7
BONJOUR	French Magazine aimed at Students in Year 8 and 9
AHORA	Spanish magazine aimed at Students in Year 8 and 9

CA VA?	French magazine aimed at Students in Years 10 and 11
