January 2018

Dear Parent/Carer

EZYSOURCE: A GREAT ONLINE REVISION RESOURCE FOR STUDENTS OF SCIENCE

As you will know, the revised GCSEs are more rigorous and challenging with two years of GCSE content assessed at the end of year 11. This means that students are expected to revisit and revise content throughout the year making it easier to recall content in the exam period.

Student voice taken after the most recent mock exams showed that many students had said that they did not do enough revision in preparation for their mocks.

To help students with preparing for their February mock exam and their real GCSE exams, the Science department have given students access to a fantastic revision resource called EzyScience.

All students have been emailed the link and log in details to their school account.

Please do encourage your child to start to use this now and regularly use it as a revision tool up until their exams.

Yours faithfully

Mrs L Betty

Deputy Headteacher and Line Manager of Science and English
