June 2018

Dear Parents and carers of Y11 students

Sixth Form Information evening Tuesday 26th June 6-8pm Main Hall

We would like to invite you to an important evening of information about life in the Sixth Form as Y11 take their final exams.

I very much hope you will be able to come along to meet me and other key members of the Sixth Form team, to hear about life in the Sixth Form and to understand some of our key messages.

Topics we will cover include:

- Subject choices and entry criteria recap
- Structure of the working week and the subject blocks
- Assemblies and Tutor time
- Working and Learning styles – becoming independent
- Standards and Behaviour – including uniform policy
- Attendance – and our review process
- Progress – monitoring and continuing to Y13
- Extras such as Careers Advice, volunteering, work experience, visiting speakers
- University application support
- Pastoral support
- Facilities including canteen and car park
- Transport

We will also tell you about what to expect on Results Day and how we will support students who want to make subject changes or who have had unexpected results.

This meeting takes place at the end of the first of the two Transition Days, which are a vital part of the process of progressing to Year 12. We expect all students thinking of coming to Sixth Form to attend both days. They will gain a lot of knowledge and insight to help them confirm their ideas about what subjects they want to study and to help the process of stepping up to the Sixth Form go as smoothly as possible.

We do hope you will take the opportunity to join us so that you can learn more and be part of the journey.

Yours faithfully

Mr M Atkins

Head of Sixth Form
