Dear Parent/Carer

## Go4Schools – Parent/Carer Log On

This term we have introduced Go4Schools, a system for entering and tracking assessment, reports, behaviour and attendance. You will be able to log onto this system from today to view reporting and progress data, as well as information on your child's attendance and behaviour.

A document is included with this letter containing guidance on accessing the system and viewing the report and 'live' data. We have taken the opportunity to review the attributes we use in reports: information on these is included in the guidance and at the bottom of reports.

A focus for the school this year and beyond is enabling our students to become more independent, and as such, there is a new report attribute: 'Responsibility for Own Learning'. This is a challenging attribute, and as such, it will be rarer for students to be given 'Exceeding Expectations' and in many cases, students will start the year with 'Inconsistent' as they are starting to develop these skills and take on this responsibility.

Please do contact me on [ward@qegs.email](mailto:ward@qegs.email) if you would like further information or support using this system. We appreciate your understanding as we implement a new system, so please do let us know if you spot any issues or have any questions.

Yours faithfully

Miss M Ward

**Assistant Headteacher**
