3rd April 2019

Dear Parent/Carer

Science Staffing

Due to a very recent staffing change in Science, we wish to reassure parents of students affected by this change, of our commitment and plans to ensure students' science education is a priority and how this will be carefully delivered and monitored over the next few months.

We always seek to employ permanent, well qualified teaching staff and with this in mind, we have already advertised for a new 'Teacher of Science' and hope to secure an appointment as soon as possible. In the meantime, we will be using a well-qualified and experienced teacher from one of our supply agencies. All lesson planning, resourcing and assessment work will be set and monitored by our QEGS science team.

With forthcoming summer exams and also acknowledging previous staffing changes for certain Yr10 and 11 groups, we have decided to move QEGS science staff onto examination classes where students have been affected by this recent change.

The science team will also ensure that any student, in any year group who has experienced staffing changes will be offered opportunities to work with QEGS science staff to gain reassurance on any topics or learning they feel have been affected. Details of these opportunities will follow.

I would like to thank you for your understanding, and encourage you to contact me if you have any further questions.

Yours faithfully

E Robinson

Miss E Robinson
