## Logging on to GO 4 Schools

To access GO 4 Schools go to <http://www.go4schools.com/> and click on the 'Parents' icon in the top right hand corner. Alternatively, there is a link on the school website.

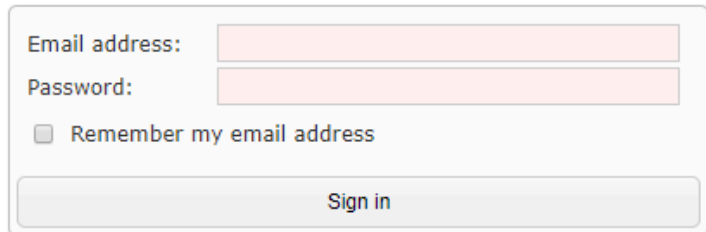

## Welcome!

### This is the GO 4 Schools login page for Parents and Guardians

In order to login, you will need to use the email address that your child's school holds for you.

If you don't have a password yet, or have forgotten your password, you can request a password reset email using the [First-time User?](#) and [Forgotten your Password?](#) links.

**If you are having problems logging on, please contact your child's school.**

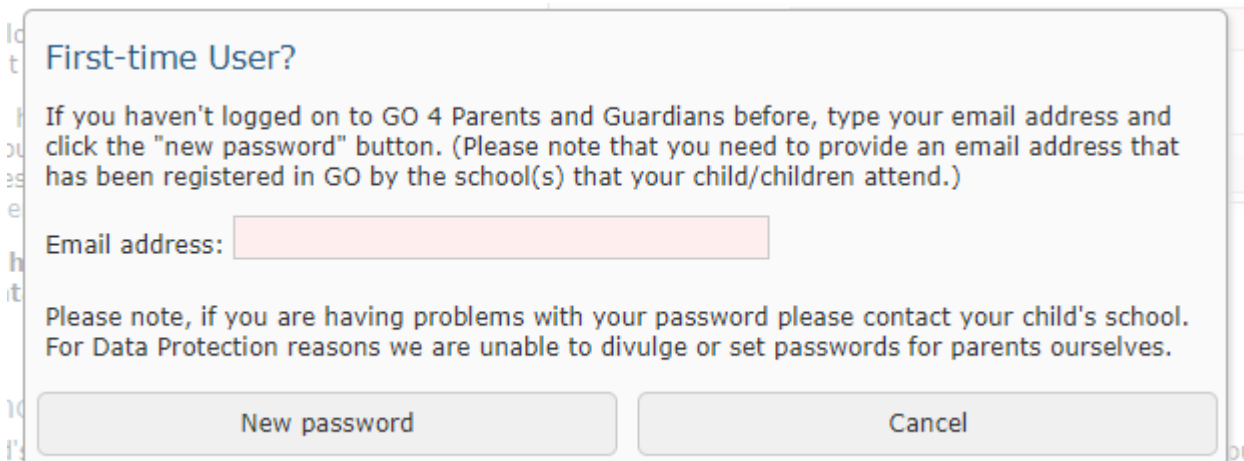

The login form contains two input fields: 'Email address:' and 'Password:'. Below the password field is a checkbox labeled 'Remember my email address'. At the bottom of the form is a 'Sign in' button.

[First-time User?](#)

[Forgotten your Password?](#)

To log on for the first time, click on **First-time User?** enter your email address and click 'New password'. This address must be the one we have on file for you. If you have changed your email address or need to provide us with one, please contact [dataclerks@qegs.email](mailto:dataclerks@qegs.email)

The dialog box is titled 'First-time User?'. It contains the following text: 'If you haven't logged on to GO 4 Parents and Guardians before, type your email address and click the "new password" button. (Please note that you need to provide an email address that has been registered in GO by the school(s) that your child/children attend.)'. Below this is an 'Email address:' label and an input field. At the bottom, there is a note: 'Please note, if you are having problems with your password please contact your child's school. For Data Protection reasons we are unable to divulge or set passwords for parents ourselves.' and two buttons: 'New password' and 'Cancel'.

Once you have received your password from GO 4 Schools enter your email and new password into the top two boxes of the log in page to gain access to the system.

If you have more than one child at QEGS you can choose which to view on the next screen.

If you forget your password use the [Forgotten your Password?](#) link. This will email the address registered a new password.

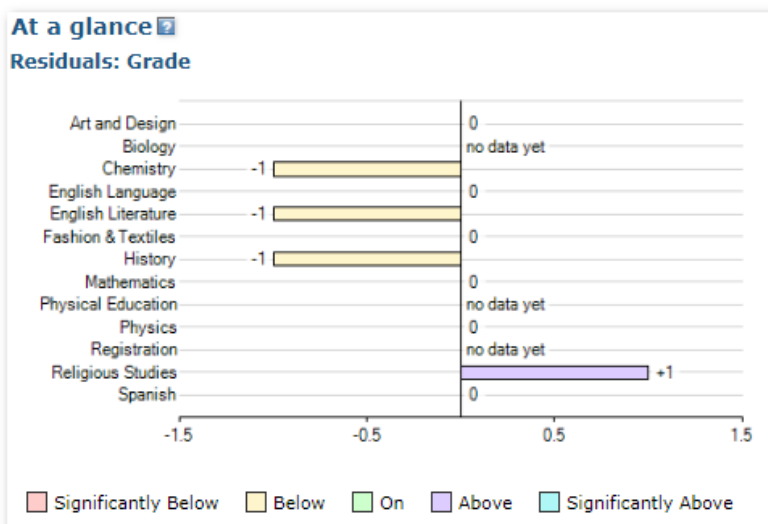

## Student Profiles

### Homework

For the time being, we are still using the bespoke QEGS system for homework; you can access this and set up email notifications via the school website. Some teachers are logging homework in both systems, and we will all be moving to the GO 4 Schools system later this year. We will inform you when this change happens.
