

11y3 closure/home work MWA 19032018

kerboodle online textbook

"Physics for Combined science: Trilogy"

Page 132 (P10 Force and Motion) summary questions (not Practice Questions)

Your username is usually your initial and surname so for example mine is mward. The password should be the same as your username unless you have already changed it. Institution is pry3

If you can't access this, you must email me to let me know so that I can try and help you log on. All problems so far with other classes have been resolved easily and quickly.

Reminder: homework from last lesson is on page 159 of this online book: summary questions on magnetic fields.
