

## 12BEL English Language Miss Thompson 19.3.18

### Task One

Add these terms to your glossary and make cards for each term.

Learn these for a quiz on 21<sup>st</sup> March 2018. The quiz will be out of ten.

1)Positioning: how a text producer places or orientates him/herself to the subject being presented and towards the audience or reader being addressed.

2)Purpose: the intention or objective behind a text in terms of what it is designed to do and how it is used. Texts can have many different and overlapping purposes.

3)Register: a variety of language that is associated with a particular field of reference, eg occupational discourse. Registers may be either written, spoken or multimodal.

4)Representation: how experiences, views and ideas are 're-presented' to readers, listeners and viewers through language and other meaning-making resources in order to influence their way of seeing the world.

5)Style: the level of formality in a text. This can be seen as distinct from its register (eg a occupational register can exist at different levels of formality).

### Task Two

Produce an A4 poster in which you consider how language has been affected by technology include as many language examples as possible (at least ten).

This may include influences such as texting, social media, gaming, science, printing press etc.
