

7xEnS Snow Work Monday 19th March 2018

Choose one of the following options:

- Write a one-page survival guide for someone who encounters an animal with a bad reputation (not a shark!). Where are you likely to encounter it? What should you look out for? What are the different options, if you do come across the animal? How should you treat any injuries that you do sustain? You could include diagrams.
- Write a modern fairy-tale that involves a character which is an animal with a bad reputation (not a wolf). Use literary devices e.g. personification, similes, onomatopoeia.
- Create a poem for an animal with a bad reputation showing a different side to it e.g. the reasons why sharks are admirable. Use poetic techniques e.g. alliteration, similes, rhyme.

Check spelling, punctuation and grammar.

Also, don't forget that you need your list of 20 spellings for tomorrow.
