

Y8 SNOW DAY PHOTOGRAPHY TASK:

Take a minimum of three snow themed photographs. The photo *could* be an action shot of sledging or playing in the snow, a close up of the snowfall on a plant or tree, a snowy scene out of your window, you decide! Please email the photos to me

Murphy@queenelizabeths.derbyshire.sch.uk or bring in printed copy for our next lesson. You may print using the computers in my art room 410 at a break or lunch if necessary.

If you do not have access to a camera, please email me and for an alternative study task.

HAVE FUN!
