

## **9yEtK Snow Work Monday 19<sup>th</sup> March 2018**

Choose one task from the following:

- Imagine that you are interviewing one of the characters from *Of Mice and Men*. Write down a one-page interview which explores their hopes, experiences and thoughts. Remember to write down the answers 'in character'.
- Write a diary entry as Curley's Wife. What are her worries, regrets and ambitions? What does she think about life on the ranch and the men there? How does she feel about her husband?
- Write a one page extract from an 'alternative novel' in which George and Lennie do have their own ranch. Remember to use literary devices and to remain true to the characters.

For whichever task you choose, check your spelling, punctuation and grammar and try to use ambitious vocabulary.
