

Year 10 Fashion and textiles work

I have set you an Easter holiday task to present all your seams, hems and pleat samples. You should work on this. If you do not have your booklets - you need to state how difficult the techniques are to do, what fabrics they are suitable for, uses and step by steps. If you need to complete some of the samples I will do catch up sessions at lunch or after school Tuesday, Wednesday.

Thank you
