

Year 11 GCSE Snow Work Monday 9th March 2018

Last lesson you made flow charts for The Design Argument for the Existence of God.

Today please do the same for The Cosmological Argument for the Existence of God.

If you do not have your book at home there are plenty of videos on this on YouTube, just search for Cosmological Argument.

If you email me a link to any great ones I may award positive events, especially if they are usable in class.

Mr Bawden
