

Hi All,

Due to the closure of the school due to snow, please use today to ensure all of your optional unit refinement work is complete.

Use the worksheet to guide your annotations, particularly useful for knowing how to achieve a pass, merit or distinction. You should follow the checklist when writing your evaluation, making your work as detailed as possible. Remember to justify all creative decisions you made throughout- including use of materials, techniques, colour, pattern, texture, shape composition etc. The more detailed and thoughtful your evaluation, the more likely you are to meet the distinction criteria. It is useful to use a thesaurus or the 'synonyms' option when writing to extend your vocabulary.

Please be aware, your work will be marked and graded tomorrow evening by myself and Mrs Davis. These final grades will then be sent to the moderator before half term. Ensure you print out your A3 booklet and fill in the re-submission sheets. These will be placed in your bay tomorrow morning. Don't forget you will need a cover for your booklet (Name, unit number and unit title.) Last but not least, don't forget your bibliography. Any sites you visited when researching artists for Task 1, developing your ideas and looking up techniques for Task 2 etc. Use the Neil's Toolbox site to ensure you cite your sources accurately.

This week you will also start to set up your work in Room 408 for moderation on Friday 13th April. Hopefully not an unlucky date for us!

The room has been cleared and your designated areas will be labelled with your name. Some of you will display your work in the bays rather than on the wall, depending upon the nature of your outcomes.

Any questions at all, please do not hesitate to email me throughout the day.

Thanks,

Miss J Fowler
