

# Year 12 Snow work

Monday, 19 March 2018 08:23

Please would you take the following chapters and prepare a Kahoot/Quizizz for the end of our revision classes

Sam - Light blue section from the book (learning, performance, skill and ability ...)

Jack - Red section of the book (physiology, Mr H and my area)

Bella - Dark blue section (read ahead into the psychology area and chooses from the first two topics only please)

20 questions minimum please

Please would you guys prepare a blockbuster game for us on the following topics

Jenna - Dark blue section (read ahead into the psychology area and chooses from the first two topics only please)

Sarah - Light blue section from the book (learning, performance, skill and ability ...)

Lauren - Red section of the book (physiology, Mr H and my area)

25 clues if possible please.

Model clue - What TV means the amount of air inspired and expired per breath?
