Progress

Before you can apply you must first register. This is free and will take approximately fifteen minutes.

You will only need to do this once. If you have already registered but cannot remember your login details, please use the 'Forgotten login?' link on the [login screen](#) to access your details.

Registration is a process of entering your personal details, for example, name, date of birth, address.

If you are applying through a school, college, careers centre or any other organisation, you will be asked to use the [buzzword](#) provided by them, so please have this information to hand.

If you are not applying through a school, college, careers centre or any other organisation, you can apply as an individual.

Once you have completed the registration, a username will be automatically generated. You will be asked to create a password of your choosing. **Please make a note of these details as you will need them to log back in to your application later.**

Use our website to find more general information about [applying](#).

[Help](#) text is available throughout each section. For general information about each section of Apply, please take our [guided tour](#).

## Commercial mailings:

The UCAS group of companies work with a range of companies to bring you discounts, offers, career information, graduate placements and news about products particularly of interest to students.

In addition, if you find yourself without a place, we may send tailored information from universities and colleges that have spaces available at certain times of the year.

Your preferences below do not affect us contacting you in connection with your UCAS application. They only relate to communications from other companies and tailored information from universities and colleges.

For more information take a look at our [data protection statement](#) and [terms and conditions](#).

I want to receive sales information by email  and/or by text message to my mobile phone

I do not want to receive sales information by post

Once your application is submitted, you can change your preferences at any time in the Personal Details section in Track. All monies raised from commercial mailings are used to improve our services to applicants.

[previous](#) [next](#)

This section outlines how UCAS can get in touch with you. For most students, providing their e-mail address and mobile number is key because they can receive offers and information from their University choices via e-mail and text. Feel free to read the UCAS terms and conditions and data protection statement. Click 'next' when this section is complete.

### Initial UCAS questions

You need to enter your buzzword on this page. If you do not know the buzzword, your tutor or careers adviser will give this to you. You will only need to enter your buzzword at this stage and then it will no longer be needed.

(Buzzwords are case sensitive and should be entered exactly as supplied.)

Buzzword\*

 ?

Your buzzword should have been given to you by your tutor or careers adviser. It is very important as it helps us establish which organisation you are applying from. It also allows your referee to attach your reference and to send your application to us once all parts of the application, including the reference, are complete.
