

## OUR CURRICULUM

To offer a broad, balanced, relevant and creative curriculum, which enables students to achieve the very best outcomes and develop life skills for the future via:

- Developing appropriate curriculum provision for years 7-9, ensuring accessible pathways for all;
- Developing personalised learning experiences through community employer opportunities, enhancing co-curricular provision and information for staff, students and parents on opportunities during and beyond school;
- Continuing to improve outcomes for eligible students and reduce absence for all students.

## OUR TEACHING AND LEARNING

- Continue to develop independent learners, equipped with study skills to succeed.
- Improving consistency of assessment and feedback across the curriculum.
- Develop cross-curricular links.

## OUR CULTURE

- Increase belonging and build positive relationships in order to increase attendance and enable everyone to flourish.
- Design and deliver new PSHE programme for years 7 - 11.
- Improve consistency of uniform expectations across years 7 - 13.

## OUR WORKPLACE

- Provide differentiated CPD for all staff
- Enhance staff wellbeing and further reduce staff absence
- Further develop opportunities for collaborative working across the trust and improve staff retention

## OUR ENVIRONMENT

- Become a role model for environmental sustainability.
- Market and build on strengths of QEGS – making QEGS the school of choice for the area.
