24th September 2019

Dear Parent/Carer

Plastic bottles and Food from the Canteen

In response to student/staff concerns, we have decided to stop students being able to take single use plastic bottles out of the Canteen at break and lunch. This has been the case with food for several years. Students may of course bring their own reusable drinks bottle, something we encourage, and fill it from one of several points around school. Water is available around the school site from the water fountains, also in jugs in the Canteen at break and lunch, and the Hall for those bringing their own food.

Yours faithfully

Mr Bawden

Assistant Headteacher
