Dear Parent/Carer

Yr12 and 13 Voluntary Contributions

This letter serves two purposes:

- To outline our curriculum provision for Years 12 and 13 and associated voluntary contributions
- To outline our plans for improving provision of facilities and resources at QEGS

Yr12 and 13 curriculum provision and voluntary contributions

During the course of Year 12 and 13 your child will be provided with numerous opportunities to opt into experiences and visits and/or to purchase resources to support and complement their chosen courses. Each subject area will manage their own resources and/or visits and any voluntary contributions can be made via ParentPay.

Improving facilities and resources at QEGS

We are also continually seeking to improve our facilities and resources at QEGS. We are fortunate to have had secure finances for a number of years and our sports, technological, scientific, artistic and performance resources are some of the best in the area. However, we are not complacent and we aspire to have 'world-class' facilities so that students can excel in their areas of interest. You may well have seen a number of stories in the local and national press and on television about school funding recently and will therefore be aware that the current situation is extremely tough. Your help and financial support would certainly go some way to help the school and benefit the students. Thank you for your contributions in 18/19, which enabled us to buy 30 laptops for the Sixth Form centre and some new outside seating. **To support new resources such as Sixth Form study equipment including laptops and library resources we are seeking a voluntary contribution of £10.00.**

I must stress any such contribution is entirely voluntary, students will not be disadvantaged if they are unable to pay.

If you feel able to contribute, payments are requested through our online payments system ParentPay and are most gratefully received. Contributions can be made in one lump sum or in smaller amounts over the course of the year. In addition to this we would ask if you are able to complete and return the attached gift aid declaration. **This will enable us to claim an additional 25p for every pound you have donated.**

Your support in helping to develop the quality of education for your child is very much appreciated.

Yours sincerely

Mr S Garrity
