Dear Parents/Carers

## English, Maths and Science Groups – Years 7 – 9

A warm welcome to the parents and carers of all students who are joining us at QEGS in September. Here at QEGS, we are continually striving to deliver a curriculum which caters for all students' needs.

This letter is to clarify the arrangements for groups in English, Maths and Science from September 2019.

### Year 7 Miss Ewart and Mrs Caton

- Students are in mixed prior attainment groups in all subjects, with a smaller group on each side for students who need additional support or a small group setting.

### Year 8 Mr Flynn

- English, Maths and Science are being taught in mixed prior attainment groups, again with a smaller group on each side for students who need additional support or a small group setting.

### Year 9 Miss Clayton and Mrs Wood

- In all three core subjects, some GCSE study will commence in Year 9.
- In English, students will continue to be taught in mixed prior attainment groups with the view to be banded in Year 10 according to mixed prior attainment.
- In Maths and Science, students are banded according to prior attainment and projected tier entry at GCSE.
- At the end of the academic year 2019/2020, there will be exams for all students in English, Maths and Science to help inform banding decisions for year 10.

If you have any questions or queries please contact the relevant Progress Leader as stated above.

Yours faithfully

Mrs L Betty
