14th October 2019

Dear Parent/Carer

Space Science and Astronomy Club

We would like to invite your child to join us at our Space Science and Astronomy Club. We are very fortunate to have our own school observatory, with a research-grade telescope, and the support of the local White Peak Astronomical Observing group uses it regularly. This group shares use of the observatory and holds regular member meetings at the school site. On evenings when we cannot use the telescopes due to overcast weather we always have other space-related activities for the club members.

The school club runs monthly on a Wednesday evening, meeting in the school library from 6:30pm until 8:00pm The club dates for this year are:

16th October · 20th November · 18th December · 15th January · 19th February · 18th March · 22nd April · 20th May · 17th June · 8th July

Due to the timing of the club we need you to confirm you are happy for your child to attend and that you have made suitable arrangements for your child's journey to and from the school at these times. Please return the slip to myself, Mr Sangster, either via form tutors or direct to the Science Office, Room 550.

We would also like to invite parents/carers, children and siblings to join us at our next Observatory Open Events on 23rd October or 11th December. If you are interested in finding out more about the QEGS Community Observatory please contact us using the email address observatory@qegs.email.

Yours faithfully

Mr R Sangster
Teacher of Physics

REPLY SLIP

QEGS Space Science and Astronomy Club

(Please return to Mr R Sangster either via Form Tutor or direct to the Science Office, Room 550)

I confirm that I wish _____ Form _____ to take part in Astronomy Club and take responsibility for their safe journey to and from school for the club sessions.
