Dear Parent/Carer

Year 10 Celebration Assembly

A Celebration of last academic year – Wednesday 9th October 2019

On reaching the end of their Key Stage 3 studies, we would like to start the new academic year with a special celebratory assembly. During this assembly, some students will receive awards for their effort, progress, service to the school and the community during the last academic year. Awards for individual subjects will also be presented.

This assembly will take place on **Wednesday 9th October at 9.00am** in the school hall. Parents who are available to join us for this assembly are most welcome to attend. If you are able to attend, please go straight to the Hall and sign in so that the event can commence promptly at 9.00am.

Car parking will **NOT** be available on the school site and visitors will need to park away from the school. There is some disabled parking available on site for visitors with mobility issues.

I would like to take this opportunity to congratulate the students on their achievements and conduct during the last academic year. I wish them continued success as they embark upon the next very important stage in their academic careers.

Yours faithfully
