Dear Parent/Carer

Year 11 Celebration Assembly

A Celebration of last academic year – Wednesday 9th October 2019

As the students have completed their first year of Key Stage 4 studies, we would like to start the new academic year with a special celebratory assembly. During this assembly, some students will receive awards for their effort, progress, service to the school and the community during the last academic year. Awards for individual subjects will also be presented.

This assembly will take place on **Wednesday 9th October 2019 at 6.30pm** in the school hall. Parents who are available to join us for this assembly are most welcome to attend. If you are able to attend, please go straight to the Hall and sign in so that the event can commence promptly at 6.30pm. **Students attending are expected to attend in full school uniform.**

After finishing last year on work experience placements, visits to post 16 providers and completing employability skills. I hope that they have returned to school to work very hard in what will be the most important year so far in their academic career. Their achievements in Year 11 will determine their future opportunities and career pathways, hence they need to make the very best use of this academic year.

Yours faithfully
