Dear Parent/Carer

Coronavirus update

As you would expect we continue to act on incoming information from the Department for Education and from Public Health England. We are following all available advice, particularly around hygiene and are meeting regularly to ensure that we are prepared for all emerging eventualities. We can confirm that we still have no known cases of coronavirus in our school community.

We are resisting the temptation to send you detailed communications because they are likely to be subject to change as we are overtaken by changing guidance or events. Currently we are waiting on the outcome of each COBRA meeting. For now, please reassure children that day to day schooling is continuing and we are in the process of reviewing the feasibility of some school activities to reduce the risk to students, staff and all of the extended family members.

If you need to contact the school with general enquiries regarding the coronavirus please use the enquiries@qegs.email which we will endeavour to reply to as soon as possible.

Thank you for your continued support during the next few weeks.

Yours faithfully

Mr S Garrity
Headteacher
