Dear Parents/Carers

## Face to Face Pastoral Meetings for Years 7, 8, 9 and 11

Small steps back to 'normality' have commenced this week, as we see the return to school for Years 10 and 12. Although limited to only one quarter of the cohort on-site at any one time, it is still real progress to see our students again. This follows a week of pastoral meetings for each Year 10 and 12 students. Focused on students' progress and individual needs, feedback from these meetings was overwhelmingly positive and whilst these are difficult times, this chance to have a one to one discussion was so valuable.

We are extremely pleased to confirm that we can now organise a 'face to face meeting before the summer to support remote learning', for all students in Years 7, 8, 9 and 11. This follows the Government and DfE announcement last week, permitting schools to expand and deliver this provision where it is safe to do so.

Our face to face meetings for Years 7,8,9 and 11 will be offered and organised by the Pastoral team and will be in strict accordance of our Covid-19 guidelines around social distancing and follow our risk assessment. Meetings will be spread over the next 4 weeks of term and parents will be contacted by telephone and a meeting time confirmed. Further details will follow.

In the meantime, stay safe and well.

Yours sincerely

Mr S Garrity
