

Come and have a look at what's in your Library..

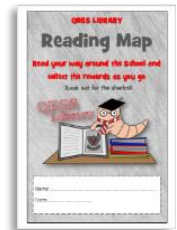

BOOKS It's not really a surprise that we have books, but there are thousands of them – all desperate for you to take them home! Not just the latest and best fiction, but books to help with your homework and hobbies too.

COMPUTERS There are 15 computers for students to use – but they are very much in demand. Ask about our booking system if you know you will need one. While you are using the computers you can have a look at our fabulous library catalogue which contains all our books and thousands of recommended websites. You can find out the latest news – or join in the blog and tell us what you are reading.

COMFY CORNER/SAFE SPACE We have extra comfy seating in one corner of the Library. You can ask to sit there if you want to read undisturbed or just to enjoy some peace if you are in need of a little quiet time.

THE READING MAP Year 7 students use our Reading Map to read their way around the school site (from the comfort of their chair) and earn rewards as they go. As if reading isn't enough fun on its own!

'QEGS READS' AWARD The older students get to work their way through the levels of the QEGS Reads Award, reading and reviewing as they go. For each level achieved they also get a certificate, a very nice badge and an invitation to afternoon tea. Books and cake – what more could you possibly want?

SSSHHH! At lunchtime the Library is a quiet place to read and study. If you have work to do this is the place to do it.

EVENTS & COMPETITIONS We have regular events and competitions – World Book Day, National Poetry Day, National Ninja Day (yes, really), Comic Relief, Children in Need – any excuse really.

STUDY HELP The Library can be an essential part of your preparation and revision for GCSE, AS and A-Level exams. We have a huge range of text books, revision guides, study guides and case notes. We offer EPQ support for sixth form students and a quiet place to work.

FILMS Yes, film shows. Every so often we turn the Library into a cinema at lunchtime. We even have popcorn.

Please pop in and say 'Hello'. we are looking forward to meeting you all.
