

QEGS LIBRARY POSTCARD COMPETITION

Okay, so we might not be going far on our holidays this year but we can go anywhere we want in our imagination!

We want you to choose a location in a book you have read and send a postcard from wherever you are.

You could be...

- ..at Hogwarts with Harry – just about to use his Marauder’s Map to go exploring,
- ..in the Tower of London with ‘Gangsta Granny’ about to steal the Crown Jewels,
- ..on a sleepover with Amy, Bella, Chloe, Daisy and Emily of the Alphabet Club,
- ..or even on a spying mission with Alex Rider (actually, maybe you shouldn’t send a postcard if it’s a secret location?)

Here’s how to do it...

There is a template for you to use. If you have any trouble downloading it you can just draw your own.

Front – on the front draw **where you are** and show us **what’s happening**. It doesn’t have to be a masterpiece, stick figures will do as long as they tell the story of where you are. Make it colourful and fun if you can.

Back – on the back at the top left please include the **book title** and **author’s name**. Then just a **brief description** of the location and the action taking place in your picture on the front. Write your message underneath.

Who to send it to...

That’s up to you and depends on where you are and what’s happening.

You might want to send it to your parent or carer to let them know you are safe or just having a good time. If you are somewhere amazing you might want to impress your friend and show off a bit.

When you have decided write the name of the person on the right side and just make up a fake address – we don’t need to know the real one. If you want to you can send it to ‘The Librarians, QEGS Library, Ashbourne.

There will be treats for those who bring a completed postcard to the Library when you come to QEGS. There will also be a prize for the ones we like the best.

We are really excited to see where your imagination takes you!
