Headteacher: Mr S Garrity Chair of Governors: Mrs H Baker

22<sup>nd</sup> June 2020

Dear Parent/Carer

## WORLD OF WORK

This time next year, your child would have received a formal offer to a post-16 provider (College/Sixth Form/Apprenticeship).

To ensure that your child makes the right, informed choice, a range of tasks will be completed to better support them through their journey. QEGS want to make sure that they are supported when taking the next steps towards their academic and professional career; this journey starts today!

Each week I will be sending you a short task for your child to complete for their virtual world of work project, students that attended meetings in school last week will have a copy of the booklet, however I have attached a copy of this booklet to this email.

**TASK 1** - Watch the video below and research courses, entry requirements of post 16 courses and apprenticeships, then complete the 'picture of me' on the QEGS intranet. I have access to a 'picture of me,' therefore I will be able to see your profile once completed\*.

\*Note - Some students may have completed this task, however many haven't, so I need all to complete this task by **Sunday 28th June 2020**.
