

Year 6 Digital Media Challenge

Your challenge is to get creative and take some awesome photographs! The theme for your photographs is 'reflections'.

You could interpret the theme in any way you choose. A couple of examples are shown here, but I'm looking for you to experiment and be as creative as you possibly can.

Please email your best photographs to illsleyj@qegs.email

Have fun!

Mr J. Illsley
Curriculum Leader for Digital Media
