Dear Parent/Carer

Accessing GO 4 Schools

We use GO 4 Schools to provide you with information about your child's timetable, homework, behaviour and attendance. These can be viewed on both the website and the mobile app (available for smartphones and tablet).

Included with this letter is a GO 4 Schools guidance document and Mobile App Quick Start Guide in the letters section of the school website, explaining how to access the system for the first time and the information that is available.

We have had very positive feedback since we have started using GO 4 Schools to improve our communication with parents and carers and improve your access to information about your child. Please do contact me on ward@qegs.email if you would like further information or support using this system or are having problems logging in. We would also like to hear from you if you spot any issues or have any questions or suggestions.

Yours faithfully

Miss M Ward

Assistant Headteacher
