6th November 2020

Dear Parent/Carer

Food Practical Lessons for Year 9- Design & Innovation

QEGS Design & Innovation department are delighted to now be able to have practical lessons in the food room, starting Monday 9th November. All students in Year 9 will be able to participate in the practical lessons and we welcome your support in providing ingredients for your child.

All practical lessons will take place in room 612 during the students' timetabled lesson with Mrs Flinders.

Year 9 students have been provided with recipe sheets including the practical dates and these will also be available on Teams and Go4Schools.

Practical days:	Tuesday	Thursday
W/C 09.11.20	9Y Room	9Y Room 520
W/C 23.11.20	509	9YRoom 521
W/C 7.12.20		
Week A		
W/C 16.11.20	9X Room	9X Room 522
W/C 30.11.20	501	9Y Room 523
W/C 14.12.20		9X Room 524
Week B		

Although we will have students from different year groups taking part in practical lessons at other times we want to assure you that all year groups will work separately, using their own set of equipment for their year group. Students in Year 9 will be working within their normal teaching group bubble. All equipment/surfaces will be disinfected after each session.

Students will be collected from their classrooms and escorted back after each practical session. Students should take their ingredients to their current classroom. If any ingredients require chilling these will be collected by a member of staff to be stored in the fridge. Students are not permitted to enter the Old Technology block until their allotted time. If at all possible please could you provide your child with an apron and ensure that they have a clearly labelled container.

If you have any questions or concerns about any of the above, please contact me by email at flinders@queenelizabeths.derbyshire.sch.uk or by phone on extension 11705.

Yours faithfully

Mrs S Flinders
Teacher of Technology
