2nd December 2020

Dear Parent/Carer

OCR Sports Science Exam

As you are aware your son/daughter is currently studying the OCR Sports Science course. As part of this course one unit is an externally assessed exam which is due to be held in January. We have been studying the unit in class since September; Reducing the Risk of Sports Injuries.

Your son/daughter has now been provided with two revision documents and each week we are sitting past papers and completing exam work to prepare for the exam. It is crucial over the forthcoming weeks that your son/daughter does a small amount of revision weekly at home so they are fully prepared for the exam in January. Once the exam is successfully passed, the rest of the units will be internally assessed assignments and your son/daughter will not have to repeat the exam.

Many thanks for supporting your child in the forthcoming weeks in preparing for this exam.

If you have any queries, please do not hesitate to contact - catonh@queenelizabeths.derbyshire.sch.uk

Yours faithfully

Mr B Hallam & Mrs H Caton

Curriculum Leader PE & Teacher of PE
