GUEST OF HONOUR

STEVEN ALTON

FORMER STUDENT OF QUEEN ELIZABETH'S GRAMMAR SCHOOL
CHIEF EXECUTIVE, BRITISH INSTITUTE OF INNKEEPING (BII)

Having grown up in Ashbourne and attended QEGS he went on to study Biology at York University. Joining BT as a graduate, he spent nearly twenty years in a variety of roles leading large sales teams and technology businesses. He then moved from BT to run a technology business providing data insight to the hospitality industry for just under ten years. During this time he volunteered as a Trustee for the BII, a charity that is the leading professional membership organisation for individuals in hospitality, which includes an awarding body for qualifications and apprenticeships. He then took the role as the BII Chief Executive leading the team over the last twelve months supporting his members, many of whom run pubs, through the national pandemic. He lives in Snelston with his wife Rae, also a former QEGS pupil, and his two boys William and Daniel (both now at QEGS). He is also the Chair of Governors at Norbury Primary School and Trustee of the Snelston Reading Room providing community events.

THE NATIONAL ANTHEM

God save our gracious Queen,
Long live our noble Queen,
God save the Queen.
Send her victorious,
Happy and glorious,
Long to reign over us,
God save the Queen.

JERUSALEM

And did those feet in ancient time
Walk upon England's mountains green?
And was the holy Lamb of God
On England's pleasant pastures seen?
And did the countenance divine
Shine forth upon our clouded hills?
And was Jerusalem builded here
Among those dark satanic mills?

Bring me my bow of burning gold!
Bring me my arrows of desire!
Bring me my spear! O clouds unfold!
Bring me my chariot of fire!
I will not cease from mental fight,
Nor shall my sword sleep in my hand,
Till we have built Jerusalem
In England's green and pleasant land
