Dear Parent/Carer

## GO 4 Schools – Latest Progress Data Now Available

We have published updated progress data for your child in GO 4 Schools. Progress data can be accessed via the GO 4 Schools website in the 'Detailed progress' section. <https://www.go4schools.com/parents>

For each subject you will see your child's Flight path and the current prediction for each subject. For Year 11, you can also view the overall results for the recent mock exams.

As a reminder:

- The Flight path is the grade we expect they **could** achieve at the end of Year 11 for that subject and is based upon both an external target (from Fischer Family Trust) and internal assessments.
- The Current Predicted Grade is the most likely grade that we believe they **will** achieve based on current assessment data.

Timetable, homework, behaviour, and attendance data (including lesson by lesson attendance) can be viewed on both the website and the mobile app (available for smartphones and tablet). The attendance currently being recorded in GO 4 Schools is for remote learning lessons. We have separate records internally for daily attendance, where students learning from home are marked 'present'. Your child can also access this information via <https://www.go4schools.com/students>

There is a GO 4 Schools guidance document and Mobile App Quick Start Guide on the school website, explaining how to access the system and view report and 'live' data.

Please do contact [ward@qegs.email](mailto:ward@qegs.email) if you would like further information or support using GO 4 Schools or are having problems logging in. Your child's class teacher will be able to help with questions about specific subjects. We would also like to hear from you if you spot any issues or have any questions or suggestions.

Yours faithfully

Miss M Ward

**Assistant Headteacher**
