Dear Parent/Carer

Co-curricular Design & Innovation

QEGS Design & Innovation department are delighted to now be able to offer co-curricular COVID catch-up opportunities for KS3 students, starting W/C Monday 19th April except for food which will start on Tuesday 27th April. All students are welcome to take part in these practical project-based activities. We welcome your support in encouraging and enabling your child to attend.

All activities will start at 2.35pm and finish at 3.55pm, in the venue specified on the timetable.

Although we will have students from different year groups taking part in activities on the same evening, we want to assure you that all year groups will work separately, in their own space, using their own set of equipment for their year group. However, it is important that you are aware that students in Years 7, 8 and 9 will be working within their year group bubble during these activities, as opposed to their normal teaching group bubble. All equipment will be disinfected after each session and student must wear masks unless exempt.

Please complete the permission slip attached and email directly to the teacher who is running the session, to indicate which co-curricular activity you consent to your child attending, to enable us to run effective track and trace procedures. Places will be limited to 15 per session for Health and Safety reasons. If your son/daughter turns up to the session but has not returned the permission slip they will be unable to participate and they will have to attend after school provision until they can get picked up. Copies of the permission slip are available from Form Tutors, if needed.

If you have any questions or concerns about any of the above, please contact me by email at phipps@qegs.email or by phone on extension 11774.

Yours faithfully

Mr SN Phipps
Curriculum leader for Design & Innovation
