Dear Parents and Carers

Sports Day Booking

We understand and apologise that some of you have been left disappointed due to the limited number of tickets we have been able to offer at Sports Day this year. We decided that we wanted to allow some spectators rather than no spectators at this year's event. The event has been carefully risk assessed and the number of tickets released has been directed by this risk assessment.

We understand the disappointment this has caused however we must request that you do not attend unless you have a booking, any spectators attending Sports Day without a booking will be turned away.

Should you have any further concerns regarding this please contact your child's Progress Leader.

Yours faithfully

Miss E Robinson

Assistant Headteacher
