17th June 2021

Dear Parent/Carer

MFL Curriculum Changes

We have been very impressed with the great work of all our students over what has been a very hard year. It has been impressive to see how our students, staff and families rose to the challenges thrown up by the COVID-19 pandemic. We are committed to supporting language development and improving student performance in language learning and we are grateful for your input in the recent languages survey which we wrote to you about in the Spring term.

We are now able to confirm that your child will continue with one language in September 2021 and that this language will be Spanish. Your child will have six hours per fortnight of Spanish on their timetable. We have been able to inform our decision-making process based on responses to parental surveys, staff expertise within our department, as well as how your child has performed in language lessons over this academic year. We hope your child continues to enjoy the language learning experience here at QEGS and we are keen to see your child opt for Spanish at GCSE level.

Thank you for taking the time to provide us with feedback in the languages survey. For any further queries, please contact Mrs Palmer, Curriculum Leader for MFL, palmer@queenelizabeths.derbyshire.sch.uk

Yours faithfully

Mr M Bawden

Assistant Headteacher
