17th June 2021

Dear Parent/Carer

MFL Curriculum Changes

We have been very impressed with the great work of all our students over what has been a very hard year. It has been impressive to see how our students, staff and families rose to the challenges thrown up by the COVID-19 pandemic. We are committed to supporting language development and improving student performance in language learning and we are grateful for your input in the recent languages survey which we wrote to you about in the Spring term.

We are delighted to confirm that your child will continue with two languages in September 2021. Those languages will be the same ones which your child has studied this academic year. Your child will have 3 hours per fortnight of each language. We have been able to inform our decision-making process based on responses to parental surveys, staff expertise within our department and how your child performed in language lessons this academic year. We hope your child continues to enjoy the language learning experience here at QEGS and we are keen to see your child opt for one or two languages at GCSE level.

Thank you for taking the time to provide us with feedback in the languages survey. For any further queries, please contact Mrs Palmer, Curriculum Leader for MFL, palmer@queenelizabeths.derbyshire.sch.uk

Yours faithfully

Mr M Bawden
Assistant Headteacher
