Dear Parent/Carer

'Countdown to Success - Making the most of Year 11' - Tuesday 20th July 7pm-7:45pm

At this time of year, as your child is about to embark on their final year of their GCSE studies, we run a special event for all Year 10 students, parents and carers: 'Countdown to Success - Making the most of Year 11'. Unfortunately, we are not able to hold this event in school this year, but we do not want students to miss out, so we have made arrangements to run this online as a Microsoft Teams Live Event. The link to the event is below, and please do test it out to make sure you can access it. Students can log in to access, or you can access it directly. If they are having any issues logging in, please contact enquiries@qegs.email so that we can get this resolved ahead of the event.

The evening will include:

- A brief overview of GCSEs and vocational qualifications, including grading
- Presentations from our Leaders of English, Maths and Science, Mrs Brown, Mr Barnhurst and Mr Meecham, including revision tips and advice on how to succeed
- A booklet with advice on how to be successful for all GCSE and vocational subjects (available online)
- Staff available to answer questions via the Teams Q&A. We will endeavour to answer what we can on the night and publish questions and answers afterwards

Attendance in previous years has been excellent, with very positive feedback from students, parents and carers, so we do hope that you will be able to join us live. If that is not possible, the same link will give you access to watch the event afterwards and you can still ask questions via the Q&A up to Thursday 22nd July, or by emailing enquiries@qegs.email at any time.

Yours faithfully

Miss M Ward
