Dear Parent/Carer

GO 4 Schools – Latest Progress Data Now Available

We have published updated data for your child in GO 4 Schools. For Year 7, for the first time you will see a Flight path and predicted grade for each subject:

- The Flight path is the grade we expect they **could** achieve at the end of Year 11 and is based upon both an external target (from Fischer Family Trust) and internal assessment during Year 7.
- The Current Predicted Grade is the most likely grade that we believe they **would** achieve based on current assessment data.
-

We understand that this is very early in your child's time at QEGS, and both of these grades may change over time.

This progress data can be accessed via the GO 4 Schools website in the 'Detailed progress' section.

Timetable, homework, behaviour, and attendance data (including lesson by lesson attendance) can be viewed on both the website and the mobile app (available for smartphones and tablet). Your child can also access this information via: <https://www.go4schools.com/students>

There is a GO 4 Schools guidance document and Mobile App Quick Start Guide on the school website, explaining how to access the system and view the report and 'live' data.

Please do contact me on ward@qegs.email if you would like further information or support using GO 4 Schools or are having problems logging in. Your child's class teacher will be able to help with questions about specific subjects. We would also like to hear from you if you spot any issues or have any questions or suggestions.

Yours faithfully

Miss M Ward
