16th July 2021

Dear Parent/Carer

Year 8 Camping - A few reminders and bits of information

We are in the final stages of the countdown to camping.

In case of a positive lateral flow test or Covid symptoms please call on 07890 319042 and **do not** bring your child to join us.

The emergency number for the week, should you need to contact us is 07890319033.

Please ensure your child has a negative lateral flow test on Monday morning (or Sunday evening).

Students are to arrive at 8.50am to enable the bus bay to clear. Students are to go to their group leader on the bus bay, if they are not sure who, we will sort it at the time. Staff will be available from 8.15am.

Send the items on the kit list with them, but with extra sun cream and sunhat.

In addition, please supply them with a named plastic resealable bag to keep their face covering in during activities.

Medication needs to be with clear instructions and in a named resealable plastic bag for all eventualities (regular medication as well as occasional such as antihistamines or calpol). Reliever/emergency inhalers need to be with the student, but a spare can be sent to be taken care of with other medication

No electrical gadgets nor phones are allowed at any time.

No eating or drinking on the bus and face coverings must be worn. We will eat a packed lunch on arrival so please send your child with a packed lunch and drink in addition to a refillable water bottle.

The twitter feed link is below - you will see updates on there. <https://twitter.com/QEGScamping>

Its going to be amazing!
