Dear Parents/Carers

Secondary School Based Flu Immunisation

We are sending this letter on behalf of the School Age Immunisation Team at Derbyshire Community Health Services.

For the school year starting September 2021 the Immunisation Team will be continuing with the e-consent for the Flu Programme. This year we will be offering the Nasal Flu vaccination to children in **Years; 7, 8, 9, 10 and 11**. **When completing the e-consent please state the year group your child will be in at the beginning of the school year September 2021**. Please visit <https://www.derbyshireandcityimms.co.uk/Forms/Flu> to complete the consent form.

If you wish to decline the Flu spray due to the porcine element the Immunisation Team may now be able to offer an alternative injectable Flu vaccine that does not contain porcine. Please complete the consent form as a decline (due to porcine) and they will then contact you to arrange vaccination. For more information please contact the team as below.

Your unique school code for **Queen Elizabeth's Grammar School** is **DD136972**

For more information about the vaccination please visit website:
