Dear Parent/Carer

Year 11 Compulsory GCSE Derby Fieldtrip – Monday 4th, Tuesday 5th and Wednesday 6th October 2021 **Geographical Investigation Fieldwork** **Trip Leader – Miss Edwards**

A key component of the Geography GCSE course is a unit entitled 'UK Geographical Issues'. The unit makes up 37.5% of the GCSE course. As part of this unit of work **all** students are expected to carry out two days of fieldwork in order to complete their GCSE examination. The fieldwork will be composed of two fieldtrips, a human (urban) fieldtrip and a physical (river) fieldtrip. The physical fieldtrip along the River Dove happened in Year 10 and was a huge success. We are now planning the second trip which focusses on human geography around Derby this is timetabled for October 2021.

For the human element, students will visit three different locations in Derby, Allestree, Darley Abbey, and Rose Hill, in order to investigate the question 'How, and why, quality of life varies in urban areas?'
