4th October 2021

Dear students, staff, parents and carers,

Covid Update

Thank you for your ongoing support and cooperation during this challenging period of reduced onsite staffing. Today our number of staff absent has not improved and the earliest we will see any change will now be Wednesday 6th October.

Therefore, on **Tuesday 5th October, Year 10 will study from home** with all other year groups attending school as normal. We have chosen Year 10 as we can ensure a 'live lesson' taught curriculum for 3 of the 5 lessons tomorrow. Periods 1 and 3 which are 'Option subjects will have work set by their teachers. Periods 2,4 and 5 will be taught by English, Maths and Science staff as per students' timetables, live via TEAMS.

If any Year 10 students require a device to access these lessons from home, they will be able to loan a device from the library today before they leave school (can collect at lunchtime or end of school).

All Year 10 students should be at home during the hours of the QEGS school day, 8.50am to 3.20pm.

If you have any queries, please contact your child's Progress Leader.

Yours faithfully

Mr S Garrity
Headteacher
