Dear Parent/Carer

GO 4 Schools – Latest Report Now Available

The latest report for your child is now available in GO 4 Schools. Reports and Progress data can be accessed via the GO 4 Schools website (not the app). You should see a link at the top of the page saying there is a new report. If that is not there, scroll down to the bottom to 'Progress and Reports', and then 'View Report'.

The Year 11 report includes your child's 'Flight path' (the grade we expect they **could** achieve at the end of Year 11) and the 'Current predicted grade' (most likely grade we think they **will** achieve based on current assessment data).

We will update GO 4 Schools with the mock grades at the end of the autumn term in December, and a further report will be issued in April. Students get regular feedback in lessons to answer the two questions 'What am I doing well?' and 'What do I need to do to improve?', but please do contact your child's subject teacher, form tutor or me if you would like further information.

Timetable, homework, behaviour and attendance data can be viewed on both the website and the mobile app (available for smartphones and tablet). Your child can also access this information via <https://www.go4schools.com/students>

There is a GO 4 Schools guidance document and Mobile App Quick Start Guide in the letters section of the school website, explaining how to access the system and view the report and 'live' data.

Yours faithfully
