27th September 2021

Dear Parent/Carer

Revision Workshops – Parents Information Evening (Wednesday 20th October 2021)

It gives us great pleasure to invite parents of Year 11 to an Information Evening on **Wednesday 20th October 2021**, 6.00pm – 6.20pm on Teams lead by Mr Bowbanks.

At QEGS, we have engaged in a significant amount of research to equip not only our students, but parents as well, guiding students in a number of strategies and coping mechanisms during revision and exam periods. We believe that the sessions will not only improve your child's wellbeing during exams, but also their attainment levels, giving them every opportunity to succeed.

Parents and carers have a key role in this process and to that end, we would like to invite you to a consultation evening where we will cover the following:

- How to tackle exam stress
- How to maintain motivation and encourage persistence
- Quick tips for revision
- What to do if it all goes wrong - a trouble shooting guide for parents
- And some useful revision strategies

Following on from Mr Bowbanks' presentation, parents and students will be able to access a series of revision video's at your own leisure with information tackling all of the points discussed above.

If you should have any queries, or require any more information in the meantime, then please do not hesitate to contact Mr Bowbanks at bowbanks@qegs.email or Miss Ward at ward@qegs.email.

We look forward to seeing you in what will be an informative evening and wish you a great half term break.

Yours faithfully

Mr R Bowbanks

Teacher of Computer Science – Progress Leader for Year 11
