29th November 2021

QEGS site will be open to all students and staff on Tuesday 30th November 2021

Dear Parents, Carers, Students and Staff,

Thank you for your understanding and patience over the last 24hrs. We hope that you and your family are all safe, warm and well.

Our caretakers have been working flat out today to help make the site safe for students and staff. We can now confirm that we are able to open the site for tomorrow, Tuesday 30th November.

The site team have been able to clear accessible pathways around most of the site but there remains plenty of snow and ice. Therefore, it is really important that you talk to your child about safe behaviour and conduct when they return on Tuesday.

Footwear expectations will be relaxed for the week to allow students to wear footwear with suitable grip and warmth. Coats, hats and gloves are also recommended.

Additional staff will be on duty on Tuesday morning to ensure students are sensible and safe as they arrive.

Please also remind your child about their conduct and safety on the way to and from school in these wintery conditions. Vehicles cannot brake as quickly/safely and playing with old snow (ice) can hurt and/or damage property. Staff will be on duty in the local area each morning and at the end of the school day to help ensure our students are at their best.

Thank you for your ongoing support.

Yours faithfully

Mr S Garrity
Headteacher
