Dear Parents/Carers and Year 12 Students

Year 12 Work Experience Week – 18th – 22nd July 2022

We hope this letter finds you well.

We have recently launched Year 12's Work Experience preparation. The work experience will take place from 18th - 22nd July 2022 and students need to begin their research to arrange a placement. Their work experience should be in an industry related to either a career they may wish to enter after education, or that would support future applications for university, an apprenticeship or employment.

Some information and tips are attached to this letter so that students can make their arrangements over half term. Week commencing 7th March is National Careers Week and Form Tutors will be asking the students about their progress. Anyone struggling to find a placement will be offered additional support and advice.

Should you have any queries please do not hesitate to contact me on allen@qegs.email

Yours faithfully
