6th May 2022

Dear Parent/Carer

GCSE Revision Guides

To ensure that all the Year 9 and 10 students are best prepared for the summer GCSE examinations in 2023/2024, it is imperative that revision is completed frequently. Educational research shows that revisiting topics and continual practice of work is vital and the key to success in good examination performance. School would like to offer all Year 9 and 10 students an opportunity to make use of other resources to support and extend their understanding and knowledge gathered during lessons by giving parents/carers the opportunity to purchase at school offer prices.

If your child is unsure which guide to order for Science and Maths subjects (Foundation or Higher Level), please ask them to check with their subject teacher. The list of suggested revision guides available to order can be found on page 2 of this letter.

Please use the link to the new '**Parent Pay Shop**' to select the revision guides and to pay for the order:

www.qegs.link/shop

The current ordering window will close on **Monday 6th June 2022**. Future orders/payments received for revision guides after this date will be ordered once a month during the autumn term onwards (e.g., revision guide paid for on 5th September 2022 – will be ordered 1st Oct 2022). *Please note - prices may vary as current discount offers end. School does not have the space to store a physical stock, the 'in stock' on Parent Pay shop is an indication school can order the revision guide in for your child.*

If you are unable to order revision guides at this time due to financial difficulties, please contact your Year Group Progress Leader; Year 9, Mrs Caton at catonh@qegs.email, Year 10, Mr Flynn flynn@qegs.email.

Student's placing an order, will receive a notification once ready to collect from QEGS Library once all books ordered have been received by school.

As always, do not hesitate to contact Progress Leaders if you have any questions or if require additional information.

Yours faithfully

Mrs H Caton
Progress Leader of Year 9

Mr C Flynn
Progress Leader of Year 10
