

17th June 2022

Dear Parents and Carers

Year 9 Summer Assessments

As was mentioned in the bulletin before half term, Year 9 will sit some of their summer assessments in the sports hall this term. These assessments, alongside any sat in their usual lessons, will help staff to support students in answering the questions:

- What can I do well in this subject?
- What can I do to improve?

The assessments will be at the following dates and times:

- Wednesday 29th June P5 Science: Biology (45 minutes)
- Friday 1st July P3 English (50 minutes)
- Friday 1st July P5 Science: Chemistry (45 minutes)
- Monday 4th July P1 Maths (1 hour). There will be a follow-on assessment of 30 minutes in lessons following this. Your child's maths teacher will let them know when this.
- Monday 4th July P5 Science: Physics (45 minutes)

Please do email me or Mrs Caton, Progress Leader for Year 9, if you have any questions

catonh@queenelizabeths.derbyshire.sch.uk

Yours faithfully

Miss M Ward

Assistant Headteacher
